

UMass Amherst Department of Biomedical Engineering Alternative Technical Elective Approval Form

Use this form if you are requesting a course be used to as a technical elective that is not currently on the approved list. Please complete the following and return to Natalia Kolk in the BME office (Marston Hall room 128) or via email at nkolk@umass.edu:

- Student information & courses for approval
- Attach supporting documents (e.g., a course syllabus, Instructor approval if course is outside BME, etc.)

Note: Students pursuing honors are already counting their thesis as two (2) electives and therefore another Research/Independent Study course will not be approved as an alternative elective.
